April 2018 Sohrab Movahedi

Sohrab has been working as relief staff while attending Cal-Poly and taking open shifts as often as possible. He has recently become a staff at TL. Sohrab comes to work in an upbeat and positive manner each day. He works with persons served and staff alike on the benefits of a healthy diet and exercise. Sohrab also works in SL with a CalPoly student, who has continued to grow in both his educational and health goals. Sohrab is caring, energetic, flexible, helpful and dedicated to the persons he works with. He wants to help those he works with achieve their individual goals and enjoys seeing their success!

Thank you Sohrab!
