

## *Employee of the Month*

### **July 2018 Kim McPherson**

Kim has been with OPTIONS for two years. In that time, Kim has become an integral part of our Hearst Castle Job Coach team. Kim shows great kindness, respect, trustworthiness, and responsibility in all she does whether it be working with Persons Served, fellow Job Coaches, or employees from the State Parks. Kim looks for the good in others and helps each person she works with to meet their full potential. When a fellow job coach needs time off, Kim has always been a huge help filling in or moving her schedule around to accommodate the needs of the team. Thank you Kim for always giving 100%, our team is so thankful for your support!
